

II. DIRECTIONS TO THE CENTER

We are located in the Law Building, 975 Bascom Mall, which is on the south side of Bascom Hill. We are in the east side of the Law Building on the fourth floor.

If you are driving, the Lake Street ramp is the closest place to park. Enter the ramp on Lake and walk out of the north exit. Turn RIGHT and walk NORTH on Lake Street until you get to State Street. Turn LEFT and walk WEST on State Street towards Library Mall. The University Bookstore will be on your left and the Memorial Library, Library Mall fountain, and State Historical Society Building will be on your right. Continue WEST as you walk over Park Street via the Humanities Building Archway and begin up Bascom Hill. The first building on your left will be Music Hall. The second, after you go up the hill a bit, is the Law School. Go in the big glass doors and walk to the back of the building. Take the elevator on your left to 4R and exit the elevator by the rear door. Our office, Suite 4311, is the first on your left as you get off of the elevator.

If you are taking the bus, go to the intersection of University and Park streets. Walk north on Park Street towards Lake Mendota and take the first LEFT onto Lathrop Drive. Walk up the hill, past the first building which is Music Hall to the second building which is the Law Building. The entrance is about 100 yards up the hill from Park Street. Walk in the large glass doors and take the elevator immediately on your right up to 4R. Our office is Suite 4311, which is the first on the left after you exit the elevator out of the rear door.
