ADDITIONAL INFORMATION REGARDING DISCLOSURE OF PATIENT MEDICAL INFORMATION

UW Health Care Providers (including the University of Wisconsin Hospitals and Clinics, the University of Wisconsin Medical Foundation, and certain units of the University of Wisconsin-Madison) honor a patient's right to confidentiality of medical information as provided under federal and state law. Please read the following guidelines before signing this authorization.

Federal HIPAA Privacy Rules. These federal rules indicate when your protected health information may be used or disclosed without your authorization. Please see our Notice of Privacy Practices for additional information.

Wisconsin Right to Privacy. Under Wisconsin law, you have the right to be free from unreasonable invasions of privacy. Wisconsin's "Right of Privacy" statute prevents individuals from using your name, portrait, or picture for advertising or trade purposes without first obtaining your written authorization.

No Obligation to Sign. You are under no obligation to sign this form, and you may refuse to do so. Except as permitted under applicable law, UW Health Care Providers may not refuse to provide you treatment or other health care services if you refuse to sign this form.

Revocation. You have the right to revoke this authorization, in writing, at any time before it ends. However, your written revocation will not affect any disclosures of your medical information that the person(s) and/or organization(s) listed on the reverse side of this form have already made, in reliance on this authorization, before the time you revoke it. In addition, if this authorization was obtained for the purpose of insurance coverage, your revocation may not be effective in certain circumstances where the insurer is contesting a claim. Your revocation must be made in writing and addressed to: UWHC Health Information Services, 8501 Excelsior Drive, Madison, WI 53717.

Re-release. If the person(s) and/or organization(s) authorized by this form to receive your medical information are not health care providers or other people who are subject to federal health privacy laws, the medical information they receive may lose its protection under federal health privacy laws, and those people may be permitted to re-release your medical information without your prior permission.

Right to Inspect. You have the right to inspect or copy the medical information whose disclosure you are authorizing, with certain exceptions provided under state and federal law. If you would like to inspect your records, contact the patient accounting or medical records department of the UW Health facility (hospital or clinic) where you have received care.

Copying Fees. If you are requesting disclosure/release of medical information to other hospitals, clinics, or physicians for further medical care, no copying fees will be charged. You must pay for copies you request for other purposes.

Signatures. Generally, if you are 18 years of age or older, you are the only person who is permitted to sign a form to authorize the disclosure of your medical information. If you are under the age of 18, your parent or guardian must sign this form for you. However, there are many situations in which this general rule does not apply. For more information regarding who is authorized to sign this form, contact UWHC Health Information Services, 8501 Excelsior Drive, Madison, WI 53717, (608) 263-6030.
